TIMELESS SOUNDTRACKS

Every event deserves a soundtrack that tells a story, one that captures emotions, creates atmosphere, and makes every moment truly unforgettable.

With years of experience as a professional violinist, I create bespoke musical experiences for events (from weddings to corporate functions), weaving together elegance, style, and emotion.

My repertoire ranges from great classical masterpieces to contemporary pieces, from romantic themes to cinematic soundtracks, each performance is personalized to reflect your vision and taste.

The music can be presented as a solo performance or in collaboration with exceptional musicians, in duo, trio, string quartet, or ensemble with piano, harp, or voice.

Every detail is crafted with precision to enhance the beauty and uniqueness of your event.

Wedding Ceremony & Cocktail hour

Let music be the thread that connects the most meaningful moments of your wedding day. I'll accompany you from the intimate emotion of your ceremony to the joyful celebration of your aperitif, creating a seamless musical experience that evolves with the energy of your day. As you exchange vows and begin your journey as husband and wife, my violin provides the perfect backdrop, then transforms to set the tone for celebration as you and your guests move into the aperitif. The music shifts from tender and romantic to vibrant and festive, enhancing each phase of your celebration.

Together, we'll build a soundtrack that feels authentically yours, whether you're drawn to elegant classical compositions, beloved contemporary favorites, or a mix that captures your personality as a couple.

Details:

- Complete musical coverage from ceremony through aperitif
- Classical, electric, or luminous violin options
- Repertoire that transitions with your celebration's mood
- Consultation to understand your vision and preferences
- Professional sound equipment for any venue
- Attire that complements your wedding style
- Flexible to accommodate different locations between ceremony and reception

Full day coverage

Imagine your entire wedding day accompanied by a musical narrative that evolves with you, from the anticipation of the ceremony to the magic of the reception, creating an immersive soundtrack for every chapter of your celebration.

I'll be there to accompany the most intimate moments and the grandest celebrations: the emotion as you say "I do," the joy of your first toast as newlyweds, the warmth of dinner with your closest family and friends, and the energy as the evening unfolds. My presence throughout the day ensures a cohesive musical thread that ties together every experience.

The beauty of a full day experience is the flexibility to adapt. Starting with classical elegance for the ceremony, transitioning to sophisticated background music during cocktails and dinner, and evolving into more dynamic, contemporary pieces as the celebration continues. Every transition feels natural and intentional.

Details:

- Complete musical accompaniment throughout your wedding day
- Classical, electric, or luminous violin – or a combination
- Repertoire that evolves from ceremony to late celebration
- In-depth consultation to map out your day's musical journey
- Professional audio setup for multiple venues or spaces
- Coordinated breaks to ensure fresh, energetic performance
- Option to collaborate with other musicians for enhanced moments
- Attire changes available to match different phases of your celebration
